

## PRETRIP CHECKLIST

Do you make sure that you check your vehicle at the beginning of your driving assignment? Don't let yourself have an accident just because some piece of equipment needs a repair. Be sure you have checked everything before you start your vehicle.

Here is a checklist. You can see what applies to your vehicle:

- Headlights, taillights, all other lights
- Turn signals
- Flashers
- Reflectors
- Mirrors
- Tires
- Brakes
- Defrosters & Defoggers
- Horn
- Glass – front and rear windshield, and windows
- Wheels and lugs
- Any tools, cargo, etc. secured
- Seatbelts
